

## Heroes: Initial Thoughts

Name: \_\_\_\_\_

1. Generate as many examples of heroes as you can come up with. Include anyone that comes to mind, including people from both the past and present, real and fictional world, individuals (like Nelson Mandela) and groups (like firefighters) or organizations (like Doctors Without Borders).

2. Choose one that interests you most or whom you respect the most. Write their name in the middle of the diagram. Generate answers to the questions listed on the diagram below:

<b>What are their qualities?</b>	<b>What are their obstacles?</b>
<b>What do they try to accomplish—for whom?</b>	<b>How do they accomplish their objective(s)?</b>
