Slide 2

Search your App store for AudioBoo and download.

Using a laptop with built-in mic? Just go to audioboo.fm

Slide 3

Print out *your* paragraph to 410. (copy and paste into new document)

Practice reading it aloud 2-3 times. Make changes as you read.

In AudioBoo, click Record and read your paragraph(s). You only have three minutes, so you may need to make two recordings.

Slide 4

Title Your Boo

Garv4A Firstname Motif
or
Garv4A Firstname Motif 1, 2, etc. (if multiple)

for example

Sometimes it takes a few minutes for the Boo to be posted to the website. As you wait for it to be posted, make the changes in your Google Doc that you wrote down on your paper.

Garv4A Jerika Weakness

Done with all that? Help other folks edit.

Save + Upload . . . then search for it at audioboo.fm

Slide 5

On your computer, go to audioboo.fm

Search for your Boo.

Click on it.

Copy and paste the link into a comment at the beginning of your paragraph in GoogleDocs.

You can resolve Ms. Garvoille's comments if you like.
